

Hymns of the Lukewarm Church (God's Frozen People)

The Lukewarm Church announces the publication of "Church Songs," whose title, according to the editor, was chosen because, "We didn't want to turn anybody off with threatening words that no one understands anymore like 'worship' or 'hymn.'" People in today's society get kind of uncomfortable with too much talk about things like commitment and dedication. They'd much rather have a religion that they can turn on or off at will. Our book seeks to meet that need."

Grace Group Forming in January

A "Grace Group" is a "safe place" where folks who have been wounded or abused in the past... as children, teens, or adults... can talk freely and openly about their struggles to cope with those kinds of events/experiences in their life.

The group conversation is conducted with others who have dealt with similar experiences in their life.

The material/resources used are intended to assist participants to work through the struggles they've faced, and help each person to ultimately move "forward and free" with God's help.
